

FIRE INFORMATION and LINKS

MARKING TREES - The EPA has been marking the trees with a white X in the City of Detroit. Arborists determine which trees are deemed unstable. They have no intention in cutting them down. ODOT will be doing Phase II of the cleanup. He also said that the utility companies have been marking trees in orange paint.

LETTER FROM FOREST SERVICE - USFS has designed a plan for homeowners to deal with burned trees on USFS property. Please [CLICK HERE](#) to read letter from the Supervisor's Office to find what you need to gain permission to cut fire damaged trees on Forest Service Land adjacent to private property. Forest Ranger, Penny Keen can be reached for more information at 541.460.8930, or penny.keen@usda.gov.

POTABLE WATER - Marion Co. will be supplying potable water to Detroit for home use. They will be distributing water at the city park noon to 4pm. People should not expect to get water at all times as County personnel will be dispersing the water.

WHAT YOU NEED TO KNOW ABOUT DEBRIS REMOVAL: Protect your health, the environment, and the community's ability to rebuild. [CLICK HERE](#) for more information.
