### Date to Restore Service By:

Date: \_\_\_\_\_

Water service restored by the City is not guaranteed to be potable on date specified above. City staff will contact you to schedule a reactivation date; the customer or their representative must be on site on the scheduled date and time to reactivate your water service. The customer must still monitor the City of Detroit website ([www.detroitoregon.us](http://www.detroitoregon.us)) for official guidance on the status of the water system and abide by any guidance provided by City Staff or posted at the property regarding safe uses for water supplied.

Please contact City Hall with any questions about the status of water service at your property.
