

# DETROIT OREGON FIREWORKS OVER THE LAKE SATURDAY, JULY 3, 2021

We are excited to announce that we were given the go-ahead from the City of Detroit and the Forestry service to host the **2021 Fireworks over the Lake!**

Two generous companies who truly love Detroit have stepped up to the plate and donated the funds required to host the fireworks display. Special thank you to [Davidson's Masonry](#) and [Siegmond Excavation & Construction Inc.](#) for your dedication to Detroit and for gifting the entire community with this amazing event.

Detroit this summer will be different, but it will be awesome. Here are some things to keep in mind as you plan your next trip to the area:

- **We kindly ask our guests to respect private property** and remain in public spaces.
- **Come prepared.** There will be limited services available in town during your visit.
- **Practice fire safety.** Please be sure to keep our lands safe by fully extinguishing campfires and keeping the firework shows with the professionals.
- **Donate if you can.** We've got a long road ahead of us as we work tirelessly towards recovery. If you would like to make a donation or to learn about our plans, please visit our website at [www.detroitlakefoundation.org](http://www.detroitlakefoundation.org).

**Thank you and SEE YOU SOON!**
