- I. Call to Order -Mayor Trett called meeting to order at 4:02 PM.**
- II. Council Roll Call - Roll Call was not completed, this is who was present at the meeting Councilor Tesdal, Councilor Nielsen, Councilor Sheppard, Mayor Trett, Councilor Smith, Councilor Page, Councilor Luke. Staff Present: City Recorder Michelle Connor.**
- III. Pledge of Allegiance- Was not done.**
- IV. Orders of Business**
 - a. Temporary Water Treatment Plat – Matt Del Moro- Matt has been working with the new FEMA representative. The new representative is going over what the old FEMA representative has done. The new representative has questions about the new City Hall. Chris Epley is having conversations with FEMA around this. Should the decision be made that the City can not use the donated materials that were for city hall to of set the cost, the city will need to use the \$150,000 from the Oregon Community Grant. FEMA has approved the new temporary water treatment plant project. For the rented equipment the cost will be between \$150,000-\$300,000 depending on how long the rental is needed. The cities cost in this would be anywhere from \$15,000 to \$30,000. There is a chance that FEMA will accept the donated resources from City Hall to cover this project, so a

discussion is needed to see what the next steps are. Discussion was had by Council and Matt as to what to do and what this looks like. Matt does have concerns about our current water system not being able to keep up in August and September.

- b. Denny Nielsen – Facilities for toileting in the community. I have approved three porta potties in the area where the electric vehicle charging station are located. Tim Luke is looking into having a contract for the septic system at the Park.
