

AN ORDINANCE CREATING A BUILDING CODE FOR PERSONS INTENDING TO BUILD ON FROWF, HIGHWAY, DETROIT, PATTON STREETS AND BREITENBURGH ROAD OF THE HAMMOND ADDITION.

The City of Detroit ordains as follows:

- Section 1. A plan of a building desired to be built be submitted to the Common Council for approval.
- Section 2. An estimate of cost of the structure be submitted.
- Section 3. Builders are to show location and size of structure on property by plot plan with 2 copies required.
- Section 4. Sanitation facilities must follow the State of Oregon code.
- Section 5. Owner of property must give Common Council the purpose that the building is to be used for.
- Section 6. Time of construction shall be estimated by builder for Common Council approval.

Amendment No. 1

A permit is required for all new construction and no exterior construction on old buildings shall be permitted without permit.
