Conflict of Interest indicates a direct/indirect financial benefit, as defined by Oregon Government Standards and Practices Commission, from an agenda item and excludes any involvement in discussion or vote on the issue.

Where a Councilor or Planning Commissioner is so involved with an issue such that they have prejudged the matter based on evidence or opinion not developed during the course of the record proceeding before the city, and it would be unfair for that official to vote on the application, that official should also exclude him/herself from any involvement in discussion or vote on the issue.

Citizens are encouraged to attend all meetings of the Planning Commission to ensure that they remain informed. Agenda items may be moved back if a Public Hearing is scheduled.
