

Idanha-Detroit Fire District

Chiefs Report

7/11/2024

1. New Fire station update –
  - a. On 6/10 I had a meeting at OSFM office to talk about a grant for Fire Resilient Landscaping
  - b. On 6/12 I worked with the seasonal crew cleaning up the construction site
  - c. On 6/15 was the groundbreaking ceremony, it went great
  - d. On 6/19 I spent the morning on site with the surveyor flagging out the driveways and the building footprint.
  - e. On 6/21 the first review of our building plans was complete by Marion County. 7 items were called out that need addressed. These have been forwarded to the architect and mechanical engineer for correction. Marion County states we could have a building permit within 3 weeks.
  - f. On 6/25 I submitted a grant to OSFM for \$75,000.00 for fire resilient landscaping for the station.
  - g. On 7/1 the plan revisions were sent to Marion County
  - h. On 7/3 the construction fence was installed and temporary railing installed on the concrete where the old building was.
  - i. On 7/8 geopier installation began
2. Calls For Service – This month we had 34 Calls for service.
  - Medicals – 24
  - MVA – 5
  - Burn Complaint – 2
  - Smoke Investigation – 1
  - Vegetation Fire – 1
  - Conflagration - 1
3. On June 11 I attend the Detroit City Council meeting
4. On June 25 I sent the type 6 with Devin Patterson and Sam O’Leary to the Darlene 3 conflagration near La Pine. A citizen that owns a house in La Pine also owns a house in Detroit and expressed their gratitude for us being there. The apparatus generated \$3,320.00 to go into the District budget.
5. Idanha Detroit Fire District Board meeting is July 11 at 6:00pm at Idanha City Hall
